## Le rime

Trovare la rima può essere molto meno facile di quanto appaia, soprattutto per i bambini che non sanno parlare.

Se il vostro bambino non è particolarmente abile in questo tipo di attività, vi consigliamo di sottoporgli solo le 3 alternative di ogni foglio.

Ritagliate le tessere che trovate nella parte finale di questo documento, disponetele di fronte a lui in modo che possa vederle bene e leggete la frase.

Questo gioco non dovrebbe essere una verifica di capacità, ma solo qualcosa di divertente e piacevole da fare insieme.

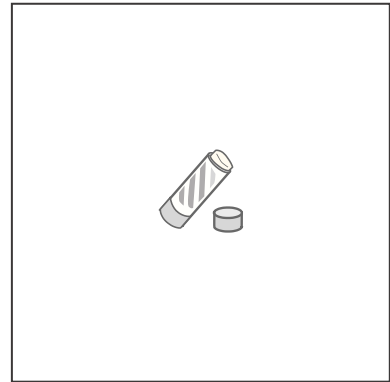

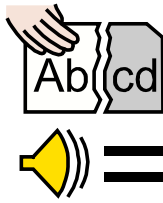

Quando la rima sarà stata trovata, incollatela nel suo spazio.

**Buon gioco!**
